

## Certification of Service Received

Brookfield GRS will issue payment once the Member/Employee (M/E) confirms that services received from their Third Party Service Provider (TPSP) are in accordance with the specifications, performance levels, quality, and all other terms and conditions of the Brookfield TPSP's Agreement, which can be found on your Secure Website and in the It's Your Move manual.

It is the responsibility of the participating TPSP to have this form signed by the M/E in order to receive payment for the services rendered.

In cases where the M/E has selected a non-participating supplier, it is the M/E's responsibility to provide this form along with their claims to Brookfield in order to receive reimbursement.
